GROUPE**COMMUNICATION WITH EXAMINER****Official**

Hon. Commissioner of Patents
and Trademarks
Box: No Fee Amendment
Washington, DC 20231

Sir:

In an Office Action dated October 22, 2001, the Examiner rejected the claims of the above-identified reissue application contending that reissue declarations from both inventors were not filed with the application. However, Applicant's records reflect that a declaration was filed on August 13, 2001 from one of the two inventors. Meanwhile, a Petition For Filing Of Reissue Application Without Declaration Of Joint Inventor (with fee) was filed on August 13, 2001 in connection with the second inventor who refused to execute the required declaration.

Copies of these documents are faxed herewith and the Examiner's rejection is believed to have been overcome.

If there are any remaining issues that need to be resolved, it is respectfully requested that the Examiner contact the undersigned by telephone to resolve any remaining issues. Otherwise, it is noted that the Issue Fee was paid on October 24, 2000 and issuance of a patent is respectfully solicited.

Respectfully submitted,
